3: SOUND

SPL limitations:

Hard SPL limitations for this venue is LAeq 96dB @ 30 min

The SPL measurements will be taken by house tech at FOH

ATTENTION!

Foyenhagen is in a listed block of flats with nearby neighbors.

This entails strict regulations from the authorities. This means that soundcheck must be done via in-ears where this is possible.

Sound out of the PA is limited to a maximum of 15 min.

Decibel levels are recorded for each show and monitored by the authorities. Violating these regulations will lead to the closure of Foyenhagen as a concert venue.
